SINCE 1958

Tour 2018

Thank you for giving us the opportunity to offer you a proposal for your next meaningful Israel Experience. Below, you will find a detailed itinerary based on your guidelines and ideas, which our team built in a way that we hope meets your needs and expectations. Since this is your experience we welcome any feedback and alterations to the proposed program. Please feel free to tell us what parts you think are right for you and what you would like to change.

We look forward to working closely with you throughout the preparation and successful implementation of this program.

1. Service

Our dedicated staff are at your service throughout the preparation stages of your Israel experience, we pride ourselves in the service and attention that our clients receive while the trip is running. Our entire team is there to ensure that your experience exceeds your expectations.

2. Staff

No company invests in their staff like The Israel Experience. Our team is comprised of master educators of all whom live and breathe Israel. We invest heavily in the recruiting, selection and training of our tour guides and field operators as we know that they are pivotal in creating a truly unforgettable experience.

3. Security

The Israel Experience is the leader when it comes to group security. We are linked to the Situation Room which is connected to the IDF, Israeli Police and the Nature Preservation Association that provide us with daily updates and recommendations. A GPS follows our groups every move. Safety and Security is our number 1 priority.
